

CIEH Level 2 Award Principles of Manual Handling

Length of course: *1/2 day*

Is this the right course for me?

This qualification introduces candidates to the hazards and risks involved in manual handling and outlines what to expect from a manual handling assessment. It will enable employees to develop safer manual handling techniques in the workplace.

Pre-Course Requirements

There are no formal requirements for learners who want to take this qualification.

What will I learn?

The qualification covers the following topics:

- The process of manual handling in the workplace
- Manual handling injuries and the activities which cause them
- Manual handling assessment and control options
- Responsibilities imposed by the Manual Handling Operations Regulations

How will I learn?

You will learn by listening to talks, group discussions, course related in-class activities and question and answers.

Will I gain a qualification?

On successful completion of the 30 multiple choice questions you will be awarded Level 2 Principles of Manual Handling certificate from the Institute of Environmental Health. Please note that certificates take 4 - 6 weeks to arrive.

What can I do next?

CIEH Level 2 Health & Safety in the Workplace

CIEH Level 3 Award in Health and Safety in the Workplace

Other course information can be found on www.careersadvice.direct.gov.uk or with a NEXT STEP advisor.

What do I need to bring to the classes?

Pen and paper. All other resources are provided.

Can I talk to someone about my course before I start it?

It is usually possible to put you directly in touch with the tutor if a member of the skillscentre:mk team cannot answer your query.
